Members of the Spatax Network and of the Ataxia Study Group will meet in Paris for their conference, from June 11 through June 13, following the congress of the European Society of Human Genetics, in Paris (France).

The conference will take place at the Brain and Spine Institute, in the Pitié-Salpêtrière hospital.

Four abstract sessions will be organized, on dominant ataxias, recessive and spastic ataxias, genetics and physiopathology of spastic paraplegias.

Abstracts should be submitted to **Spatax.network@gmail.com** by April 5, 2013. The selected abstracts will be presented on June 12 and 13, 2013.

Registration fees:

- 50€ for Spatax and ASG members
- 200€ for non-members
